

Exploring Differences, Deepening Faith

GRADUATE PROGRAM - IMMUNIZATION VERIFICATION FORM

Connecticut State Law requires that all students born after December 31, 1956 and enrolled in post-secondary schools be protected against measles, rubella, mumps and varicella and show proof of that protection. Additionally, students living on-campus are required to be immunized against meningitis. This form must be completed before registering for classes as a matriculated student.

This section should be completed by the student. Please print or type.

Student Name (Last, First, MI)	Date of Birth	Country of Birth
Physician's Name / Address		Physician Phone # () -
